

ST. GABRIEL SCHOOL

February 15, 2025

From the Heads of School

Re-enrollment is now open! We have a new incentive program for the coming year funded by an alumnus-benefactor who is committed to Catholic Education and to our wonderful school. Please see below for details.

Open House

Join us on February 20 for our Open House, from 5 to 7 p.m. Any student who brings a prospective student to the event will receive a dress down, a pizza party, and extra recess.

Families and staff have offered to bring in food for the event, and you are welcome to do so as well.

Invite family and friends who are interested in learning more about enrolling their children. We can't wait to show everyone what makes a St. Gabriel education right for each student.

Contact Information

Saint Gabriel School

Head of Middle School: Mr. Michael Conlin

Head of Elementary School: Mrs. Ruth Ann Schuler

Main Office: Ms. Kristin Leonka

Email: office@stgabrielschool.org

Website: www.stgabrielschool.org

Gr.1 John Monaco 3rd place

Gr.1 Mason Smith - runner up

SAINT GABRIEL SCHOOL

- NEW FAMILY REFERRAL -

A Catholic Community Devoted to Academic Excellence and Christ's call to discipleship.

Saint Gabriel School New Family Referral Program

At Saint Gabriel School, our parents, teachers, and staff are our best ambassadors. We greatly appreciate those who encourage new families with similar values, commitments, and priorities to apply to our school. To show our appreciation, we have established the **New Family Referral Program**, which rewards existing families and current school employees for helping recruit new families to Saint Gabriel School.

Referral Rewards

- **Current Families:** \$500 tuition discount for one child; \$250 for each additional child
- **Current Faculty and Staff:** \$500 bonus for one child; \$250 for each additional child (subject to all applicable withholding taxes)

If a new family enrolls mid-year (after January 1), the referral reward is **50% of the original amount**.

Eligibility

- Families with children currently enrolled in **PreK–8th Grade** at Saint Gabriel School
- All current employees of Saint Gabriel School (excluding the Advancement Director and Principal)
- The **New Family Referral Program does not apply to immediate family members or persons living in the same household.**

Enrollment Requirement

The new student(s) must remain enrolled past **January 1** (or complete the balance of the school year if enrolling after January 1) before the referring family or employee is eligible to receive their tuition discount or bonus.

Referral Limits

There is **no limit** to how many new families can be referred. The referring family or employee will receive **\$500 for the first student** within a family and **\$250 for each additional student** in the same family during the school year.

Mad Medley

Spring 2025

During this course, students will be able to explore many areas of science. We could be detectives one class, ocean explorers in another and chemists the next. Join us as we explore some of our favorite topics in MAD MEDLEY!

Funky Forensics

Learn all about the science of forensics in this hands-on look at crime scenes. Probe into the science of tracking down the culprit.

Creative Creatures

Inventing means creativity! Students will build a flying dragon, will launch sticky creature flingers and be inspired to design their own model creatures.

Matter of Fact

Everything's made of atoms and molecules, and in this class you'll make molecular models and learn how they interact. Then you'll make/take home your own Mad Science putty.

Playing with Polymers

Slime is a favorite polymer of many students but, did you know polymers play an integral role in our daily lives? We will explore different forms of polymers and their uses. Students will take home a polymer they create!

"Cell" ebration

Learn about the basic building blocks of living things! Discover different parts of a cell, what cells look like under a microscope & make your own cell model to take home.

Black & Blue Oceans

This class introduces students to environmental issues relating to our water system. Through a hands-on approach students explore the effects of, and difficulties in cleaning up oil spills.

Who Doo It

Want to know who did it? Test your skills and learn how the pros do it through careful observation and techniques to handle evidence properly.

Gross A Rama

Get ready for the chemistry of grossness and ickiness as you discover the science of body-associated smells and other vile substances. Eeew! Make and take home algae worms!

Mad Science at St. Gabriel School

8 Weeks
Tuesdays
Dates: March 25 - May 20
No class on 4/15
Times: 2:45-3:45pm
Grades: K-5
Cost: \$159.00

Scan below
for registration site

Register: <https://westnewengland.madscience.org>
pay securely on-line by credit or debit card (MC, VISA, AE or Discover)!
You can also call 413-584-7243 to register over the phone.

A science related take home activity accompanies every class. Not all topics may be covered depending on length of program. Classes may not be presented in this order.
